Atlanta Afte r Elhs Convention.

well pleased was Atlanta with the Imperial Council of the Mystic Shrine the Georgia city has decided to go after the 1916 National Convention of B. P. O. Elks and the Andervention of B. P. O. Elka and the Anderson Elka have been saked to assist Atlanta in getting this great convention. The Elias gathering is second in importance in the Shrine aloas, and it is annually one of the biggest fratternal gatherings in the country Last year the Grand Lodge of Elka met at inchester, N. Y., and this year if will go in July to Patwer, Colo., and it is already practically concessed that the 1915 cenvention will go in Seattle. Wash, therefore Atlanta's best chance is to secure the meeting for 1916. It so in July to Denver, Colo, and it is already practically conceased that the life convention will go to Seattle. Wash, therefore Atianta's best chance to the dirty "Hello Bills" roll in the meeting for 1916. It is presumed that every Routhern Ziese with assist Atlanta in her fight to get the convention and it goes without the convention and it goes without the stying that all South Carolins lodges will instruct their delegates to long at the convention of the life of the direction of the direct

is Here Next Week, bliss Mary P. Pazer of the Ex-tension department of Winthrop col-College is expected to arrive in the College is expected to arrive in the clay in the mast two days in the purpose of visiting the schools of Honea Path and also the schools of Eureka. Miss Fraser will arrive Monday night and Tuesday morning she will visit the Hosea Path schools, going to Eureka Tuesday afternoon at 5 oclock. Miss Frazer is an earnest worker and according to the Winthrop College authorities has succeeded in accomplishing a great deal in her line of work. Anderson people are looking forward to her, wisht here with much pleasure.

A number of Anglerson insurance into livil go to Columbia Taesday night so attend the South Carolina Underwriters' Arsociation which will convene in the capitol on the morning of May 20 and will continue on through Tuesday, the Sist. A large delegation will protably go from this type of the most into any of the two day's program. San Grist of Toraville, the secretary is a morning to the two day's program. San Grist of Toraville, the secretary is a morning to the two day's program. They don't be live that the state of the most in a morning and the most in a morning wather department as is Mr. Sullivan upon possibly be a friend of the most in will also prove to be enjoyable.

Two firs insurance adjusters came to Anderson yesterday for the prupose of making an adjustment of the loss surialized recently by J. A. Fowler when his garage was burned on Market street. While here the adjusters also fixed up the loss of J. A. Hall. Mr. Hall lost a collage on McCully street. Therefore also fixed up to the loss of J. A. Hall.

mind to this effect but he says he is giving the matter surious consideration and that he may be in the race. He says that friends of his in all sections have arised that he could post the place and he thinks he could post a root vote should be decide to run. Mr. Abrains has been closely identified with the school work in Anderson county, having length to this county for lost years not having filled the position of Superintendent of the position of Superintendent of the public schools of Superintendent of the public schools of Sharr. He is an able education and one many friends in Anderson county.

To Plan Meplays.

G. L. Romer of Greenville has been spending fieveral days in Anderson, endeavoring to secure contracts from Anderson, marchants for decorating their places of tasiness for the State Association of South Carolina Elks, which comes to Anderson on June 17-18. The accorations have already been planned by Mr Ranner and he says that Anderson's business houses will show up wonderfully well with the claborate purple and white trimmings he has designed. He has secured a number of combracta from some of the city's leading merchants and Anderson will be a place of beauty when the first "Helio Bills" roll in on the morning of the 17th.

West Fant Chass.

in learning that Mrs. Rufus Pant of thin cay was sciented as one of the alternates by the Federation of Women's Clubs, to the bi-ennial convention which is soon to meet in Chicago. The South Carolina Federation has been in seasion at Spartanburg, coming to a close Filiay. The State touventee was lirgely attended by club women from all parts of the country and all sections of the State and it was quite an hunor for Mrs. Fant to be selected as one of the althrastes. Mrs. Fant was also elected first vice-president of the association.

street Thursday night when a very derman from that ward, having been disastrous fire occurred. The adjusters completed their work resterday and left last night for their respective homes.

Ray Ofter For

Manufacturers' Association and Pur-ter A. Windey, secretary of the An-derion chamber of commerce, has ap-pointed R. E. Ligon and B. B. Gossett to represent the local trides organi-zation at the Washington guitering. This will be one of the most important trades conferences held in the United States this year and the delegans from Anderson will gain a wealth of knowledge from the stip.

Mr. Pinkston will exhibit almost en-tirely spiendid hand colored reels featuring battle scenes of the Civit war. He stated last night before his departus that he had secured the promise of the manufacturers to give him il new reels, with the best pic-tures obtainable and he confidently expects that he will be able to show Anderson people something new in the picture world.

South Carellas Federation has been in session at Spartanburg, coming to a scious Triday. The State convention was largely attended by club women from all parts of the country and all sections of the State and it was quite an hange for the State and it was quite an hange for the State and it was quite as one of the alternates. Mrs. Fant to be selected as one of the alternates. Mrs. Fant was also elected first vice-president of the association.
